

We encourage St Johns members to think and pray about who they might invite to church. Invitation cards will be provided, so that you can personally invite friends, family, neighbours, or colleagues. We will ask you to keep hold of a special prayer card and pray for the friends you have invited. When guests arrive that day, they will be given an especially warm welcome ts.

Back to Church Sunday is all about reaching people who are not here through the people who are.

CALLING ALL ARTISTS

We have left room in the margins and between the articles in this edition of the Lamplighter so that you could add your favorite doodles to the pages.

The clip-art we normally use has been packed away in preparation for the office re-location.

Happy Sketching!

CRAFT GROUP

Our first meeting for the fall will be on Sept. 9th. It seems to make more sense now, that we should change our name back to the CRAFT GROUP instead of Coffee and Conversation. We had hoped to encourage more people to drop in on any Friday of their choice but since that didn't work it seems more logical to keep the name that everyone in the parish knows us by. But, we still welcome drop-ins whether it be for a short visit or a long visit. The coffee will be on and sometimes there is home baking to enjoy with your coffee. We will be continuing to work on the boxes for hospice Northwest as well as focussing on making pneumonia vests. The pneumonia vests will be a winter project to be ready for posting in February or March. If you would like to contribute to this project we have the pattern available which we will make available at the back of the church. We have a limited amount of wool suitable for the project in our cupboards (chunky type yarn is not suitable). The preference is for bright colors (not pastel or whites).

As a reminder, we meet every Friday at 10:00 A.M. and we stay until about 1 P.M. after enjoying our bag lunch and a cup of tea.

We look forward to seeing you sometime this fall
