

Thanks So Much!

To members of St. John's Anglican Church: Thank you for your ongoing support. Your generosity at Christmas to AIDS Thunder Bay Secret Santa program is remarkable. The family you supported this year was in no position to buy presents or food for Christmas. Your kindness made this year special. From: Gail Linklater, Support Service Coordinator.

YOU ANSWERED THE CALL

You picked up your needles and you knit. Collectively, you knit thirty-eight vests for children in Africa or South America. These vests help keep them warm so that they are less likely to contract Pneumonia, a killer of children in third world countries.

The craft group thank-you sincerely for your efforts in this endeavor.

STAMPS FOR OXFAM

Thank you to everyone who continues to save postage stamps for Oxfam. They are all appreciated. Please continue to tell your friends about this project and I look forward to the postcards or stamps that will fill the box at the back of the church over the summer. Please remember that we need the whole postcard and the barcode and stamp from envelopes.

Thank you - Vi Thomson
