The 2008 Daily Bible Reading Guide is the 23rd consecutive one prepared by the Rev. Dr. K. L. Peterson. It is based on texts used in the Revised Common Lectionary and other lectionaries such as those used by Anglicans, Lutherans, and Roman Catholics. Those dates marked with a star (★) are commonly observed as festival days in some churches. Versification is based on the 2nd Edition of the Good News Bible.

For many, the Bible may be something of a closed door. Although its stories are all fairly familiar, there seems to be a great void of understanding exactly what these stories can mean for Christians living in the present day. Many people who read God's Word believe it; they just don't believe it works for them today. It does! Truth does not change. Ask God to open your eyes that you might see Him in a fresh way and open your ears that you might hear His voice speaking to you as you read His Word.
